

Dear all

As you may have heard the proposal to change the league set up for season 2016/2017 was passed at the recent AGM. In order to expedite the changes necessary I would appreciate an early entry from schools for all age groups. These can be changed once the new term begins and managers are in/not in place.

I would also like to update my GSFA contacts list for all schools and would appreciate a confirmation email from all recipients of this UPDATE 33.

Those schools wishing to be considered for our Synthetic Pitch Allocation for next season, please let me know by return.

Yours

Maurice Shields
GSFA League/Cup Coordinator
